## How to be a Driver - What is Involved

### What are you expected to do:

1. Decide that you would like to participate in this program to help your neighbours, your gas bill and the environment.
2. Register and obtain a driver's card.
3. On those trips where you want to help out - Display your Driver's card clearly on your dash or on the back of a lowered visor.
4. When you go into town and pass by a **CoSpot**, pickup Riders who will be holding up their Rider's Cards. When you get to Sechelt you drop them off at some place in town convenient for you to do so. Be nice.
5. When returning home, if you pass by one of the **Cospots** in Sechelt pick up card holding Riders there too. Again, drop them off where it is convenient for you in East Porpoise Bay or one of the spots for ongoing to Sandy Hook or in Sandy Hook. Be nice.

**YES—you can register as Both a Driver and a Rider. Many do. Ride when your mission is not so critical.**

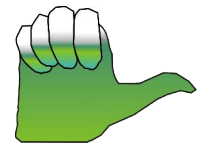

### Some miscellaneous points:

- **Under NO circumstance** must any money change hands. This could present serious legal issues and insurance default.
- It is **ALWAYS** the driver's option to pick someone up or not. You may be in a hurry one day or just having a bad day or not like the look of a Rider! Hide your Driver's card if you think of it.
- Sandy Hook folks do have visitors who may not have registered but may want to take part in CoastRide. Sometimes a registered Rider has a friend with him or her who is not registered. It is up to you but usually taking along this person or persons is OK provided they are clearly with a registered person.
- No smoking or eating or drinking in the car.
- No pets unless it is a 'vet' emergency and you feel comfortable about it.
- Always be courteous and polite

**Remember the Rider member number and report any problems to [mail@coastride.net](mailto:mail@coastride.net)**

## How to be a Rider - What is Involved

### What are you expected to do:

1. Decide that you would like to participate in this program and hitch rides while helping your gas bill and the environment.
2. Register and obtain a Rider's wallet card.
3. When you want to go to town go to the best **CoSpot** for you. Always stand off the road on the side of the road you want to go on - with traffic.
4. Wait for a car to approach and hold up your Rider's card in plain sight.
5. If the car stops **BE SURE** it has a Driver's card and look at it to note that the card matches the driver. Mentally note the Driver's Member Number.
6. If it is a match feel free to take the ride.
7. Coming back from Sechelt go to one of the **Co-spots** there and follow the same process.
8. If you are a Sandy Hook Rider and are picked up by an EastP Driver they will likely drop you off at an ongoing spot on Sechelt Inlet Road at East Porpoise Bay. All rides from there will be at least to Sandy Hook.
9. Always be polite and courteous. Not only will it help keep Drivers involved but it may get you delivered closer to where you want to go!
10. The Driver is under no obligation to drive you to your exact destination - .

### Some miscellaneous points:

- **Under NO circumstance** must any money change hands. This could present serious legal issues and insurance default.
- It is **ALWAYS** the driver's option to pick someone up or not. They may be in a hurry one day or just having a bad day or not like the look of a you! Give them a friendly wave if you like to show there are no hard feelings.
- Sometimes you, as a registered Rider, may have a friend with you who is not registered. It is up to the Driver but most will take along your extra person understanding that he or she may be someone just visiting. They should not take the un-registered person without you unless they know you very well.
- No smoking or eating or drinking in the car.
- No pets unless it is a 'vet' emergency and the Driver is comfortable about it.
- Always be courteous and polite

**Remember the Driver member number and report any problems to [mail@coastride.net](mailto:mail@coastride.net)**

# Guide to CoSpots (subject to change and advised by email to registered participants.)

## In Sechelt—on the sidewalk at the curb **X**

- Saves Gas
- Saves Wear and Tear
- Saves on your carbon footprint
- Be a good neighbour
- Meet other Sandy Hook folks
- Reduce greenhouse gases
